

NOTICE

TO: DUCKWATER SHOSHONE TRIBAL COMMUNITY
FROM: CHRISTINE STONES, HEALTH MANAGER *Christine Stones*
RE: **UPDATE ON HEALTH DEPARTMENT FACILITY & SERVICES
FLOOD RECOVERY**
DATE: January 10, 2014

The Duckwater Health Department Medical, Health and Social Services Staff have moved back into their building. However, we are not fully functioning yet. We are in somewhat of disarray trying to put the Clinic and Health Center back together.

The Duckwater Medical Clinic is not fully functioning, and for patient safety will not be seeing patients at the Tribal Clinic at this time. Our computer systems are not all functioning as well and we are working on correcting this problem.

Full operation of services will resume January 17, 2014, and the Duckwater Medical Staff will begin providing services to patients. During the interim, the Duckwater Tribal Medical Staff will provide Home Visits. So please call the clinic if you need the Medical Staff to provide a visit to your home.

Pharmacy services will be provided, please contact the clinic at least 3 days prior to running out of your medications.

The phones and fax have been transferred and the phone number for the Health Department is 775-863-0222, and the fax number is 775-863-0142. We are experiencing some problems with the phone internal lines, and are working on resolving them.

Once again, thank you for your patience. If you should have any questions, please do not hesitate to call or stop by and talk with me. I would be more than pleased to clarify any questions or concerns you may have.
