Dear Tribal Member;

The Duckwater Shoshone Tribe has received stimulus money for the COVID-19 pandemic, and we are in the process of figuring out how to assist all our tribal members. Listed below are some ideas on how this pandemic has caused economic and personal hardships for you and your family. These are just ideas, so please feel free to add anything else you feel should be considered. Of those things listed below, please check off the items that pertain to you and members of your family.

Also, please contact your friends and family and have them get in touch with the Tribe with their correct addresses, because we are not sure we have everyone's correct address.

Loss of work/unemployed

Inability to pay rent/mortgage

Inability to pay utilities

Increase in transportation costs

The Tribe is aware that the overall needs of all of us are probably going to be substantially more than what is available. However, the Tribe wants to do what they can to help our members, given the situation we are faced with regarding the COVID-19 pandemic.

Because the Tribe is wanting to help as soon as possible we are requesting your response by June 10, 2020.

Sincerely,
